# ALL ABOUT EVERGREEN

## Washington's Only Public Liberal Arts College

The Evergreen State College is a four-year institution right here in Olympia where students can earn a Bachelor of Arts or Science degree. From sustainability to social justice, our curriculum focuses on real-life problems and themes.

### STUDENTS: The Next Generation of Leaders

70 percent of Evergreen's students hail from Washington state. And, unlike at most four-year schools, a full 50 percent of our students are transfers. No matter their background, these students enjoy hands-on, self-directed studies that emphasize real-world experience. Is it any wonder they excel at internships and embrace volunteer opportunities?

### TUITION

Evergreen is affordable for full-time students.

### ALUMNI: Innovators and Job Creators

Did you know that every \$1 the state invests in Evergreen creates a \$4 return on investment? When you consider all the work our alumni are doing in high-demand science fields—and the jobs they're creating through small businesses they own—it all adds up! What's more, the vast majority of our alumni reside in Washington state.

# WHAT MAKES EVERGREEN UNIQUE?

## Longhouse Education and Cultural Center

Located on campus, this public service center promotes Indigenous arts and cultures through education, cultural preservation, creative expression, and economic development. Native art exhibits are showcased here throughout the year.

## Organic Farm

Our working small-scale farm boasts a farmhouse, 3 acres of fields and orchards, greenhouses, and a composting facility. Students enrolled in the Practice of Organic Farming program learn business skills and sustainable agricultural practices.

## Veterans Resource Center

This public service center serves all military, veterans, and dependents with respect, compassion, and confidentiality. The helpful staff connects students with everything they need to get started and succeed in college and beyond.

## Tacoma Program

This convenient, flexible, and diverse program offers students the opportunity to earn a bachelor's degree in just six quarters. With an emphasis on social justice, students enter to learn and depart to serve.

## Three Graduate Programs

Evergreen's **Master in Teaching** program boasted a 100 percent placement rate in 2016. **Master of Environmental Studies** prepares graduates for careers in natural resources, sustainable businesses, and more. **Master of Public Administration** graduates excel in all levels of government and private industry.

## Evening and Weekend Studies

Evergreen serves all students—including those with family, work, and other daytime commitments. Evening and Weekend Studies offers students a convenient, realistic track to finish a bachelor's degree at their own pace.
