Olympia, Washington 98505*

Parent's Instructions for Sunscreen

Due to our campus wide air quality policy we require that any sunscreen provided be unscented.

Licensing laws permit child care facilities to administer medications to children only with a doctor's written authorization and/or with written-signed direction of a parent or guardian.

Please provide the following information:

Child's Name _____

Health Problem: Sunburn Prevention

Name of Medication _____

Frequency of dosage: 20-30 minutes before outdoor play in the afternoon

Times given at home: Before arriving at school

Method of administration at TESC Campus Children's Center

Amount per dose: 1-3 Tbsp **Time to be applied:** Between 1pm-3pm

Dates to begin May 1, 2012 **and complete sunscreen use** November 1, 2012

I authorize the TESC Children's Center to give the above medication. **I agree to remove and take home any left over sunscreen at the end of the requested time period.**

Parent/Guardian Signature

Date

Record of Administration (To be filled out by person who applies sunscreen.)

Date	Time	Initials	Date	Time	Initials	Date	Time	Initials

Signature(s) of all persons that correspond to Initials of person(s) applying sunscreen
