1. There were no March minutes to approve.
2. There was no accident report to approve.
3. At the next meeting, the proposed placement and design of the smoking shelters will be presented to the committee.
4. An ashcan appeared by the main entrance to Lab I, towards the Lecture Halls. Robyn will have facilities remove it.
5. Barbara told the committee that the designated smoking areas would be informally incorporated into the campus tours. Robyn said that the designated areas would also be a part of new employee orientation.
