

Minutes for the Health and Safety Committee meeting
August 3, 2005

Attending:

Peter Pessiki-Chair

Nicole Allen

Beth Albertson

Joe Pollock

Robyn Herring

There were no July minutes to approve.

The accident reports for June and July were reviewed. June cleanup produced the normal increase in accidents, with some lost work and restricted days.

The group reviewed the Health and Safety Committee Summary, written by Peter Pessiki. Beth Albertson will incorporate the edits, as well as add a bulleted list of specific topics covered in the last two years. Peter will present this summary at the Union Management Meeting, to be scheduled.
