September 2005

Attendance: Nicole Allen, Robyn Herring, Peter J. Pessiki, Mike Anchors, Beth Albertson and Marshall Robinson

Meeting came to order at 1:10pm

August meeting minutes were approved

The August accident report was reviewed

Pessiki questioned how a faculty hurt their knee while standing. Herring stated that a student practicing karate inflicted the injury to the faculty member

Pessiki then asked about the bed bug problem in housing. Herring told him that it had been taken care of and was under control.

The draft of the yearly Health and Safety progress report was approved by the committee and will be emailed to the Union Management Committee

The Health and Safety Committee is still looking for members. As of now the health and safety committee is 2 union members short of the allotted 6. The health and safety committee is also still looking for students to fill the 2 open spaces.

Albertson suggested that the Health and Safety Committee send out a survey or general email requesting input from the Evergreen Campus on current or potential Health and Safety concerns. This issue was only talked about and no decision has been made.

Meeting adjourned 1:45pm
