

Health and Safety Committee Meeting

November 3rd, 2010

Attendees: Matt Lebens, Beth Hesketh, Ed Sorger, Robyn Herring, Joe Pollock, Amanda Steinberg

Approved last meeting's minutes

Accident reports

July, October, beginning of November

SEM I smoking area

Access to health center still limited to one entrance by smoking shelter

Matt will recommend to John Hurley that it be moved

Concrete slab where temp bookstore and KAOS were housed seems like a good spot

Will have to wait until modular buildings are moved
