

Health and Safety Committee Minutes

Date: 1 October, 2014

Present: Joe Pollock, Beth Hesketh, John McLain, Nicholas Bense, Robyn Herring, Matt Lebens, Dwight Monohon, Tammi Stretch

Accident report discussed. Robyn mentioned strained back injuries are common and should be on our list for future committee activities. There was a brief discussion about the accident database and how incidents are entered.

Minutes: The minutes of the previous meeting were approved.

Discussion:

Driftwood & Overhulse intersection.

Dwight supplied information on crosswalk flashers

Robyn said Facilities would consider speed bumps

All – signs, ignoring signs, inattention of pedestrians, etc. brought up

Ebola and Flu

Beth mentioned Ebola has reached Texas; we are tracking students regarding overseas travel. Flu shots are available for students. We need to educate students on marijuana use. The recent sexual assault was handled well; the perpetrator was a transient living in the woods

Smoking

Discussions with the administration are moving very slowly.

The meeting was adjourned.

Joe Pollock
