

Emergency Preparedness at The Evergreen State College

We administered a survey to students, faculty, staff and alumni at Evergreen asking about emergency preparedness. Here are the results:

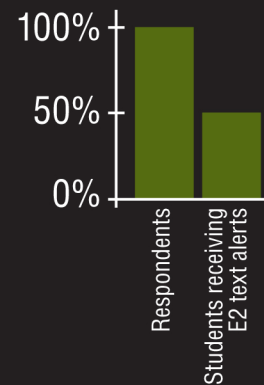

Is campus prepared?

61.2% don't believe, or don't know if they believe, The Evergreen Community is prepared to handle a significant event.

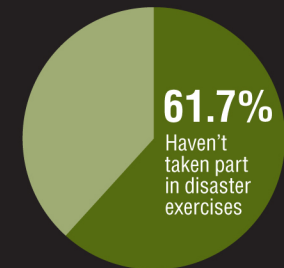

Who's in the know?

50% signed up for E2 campus text alerts.

Disaster Training

61.7% haven't taken part in campus wide disaster training exercises.

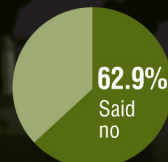

Who's responsible?

When asked "Who do you believe is most responsible for disaster preparedness during a crisis," 55.3% said they share that responsibility with Evergreen.

Active shooter event!

Do you know what to do during an active shooter event?

Personal preparedness

72.7% think there should be participant based scenarios on campus about personal preparedness.
