

The Evergreen State College
 Evergreen Student Experience Survey 2006
 Experience of First-time, First-year Students

Types of Classes Taken During Academic Year 05-06

Students were asked to indicate the kinds of classes they took during Academic Year 05-06. Almost all first-time, first-year respondents indicated that they had taken at least one day-time, full-time program (98.3%). About 24.8% indicated that they had taken at least one Evening and Weekend Studies course.

<u>This year</u> , what kinds of classes have you taken? (N=117)	Percent indicated had taken*
Day-time, full-time program(s)	98.3%
Evening and Weekend course(s) (2-6 credits per course)	24.8%
Evening and Weekend part-time program(s) (8-12 credits per program)	5.1%
Independent Learning Contract(s)	3.4%
Internship(s)	1.7%
Class(es) through Extended Education	1.7%
Class(es) through Leisure Education	0.0%

*Percentages do not add up to 100% because students could indicate as many different types of programs/courses as they took during AY 05-06.

Combinations of Classes Taken During the Year (In Mutually Exclusive Categories)

In order to understand the combinations of class types that respondents had taken in one year, respondents were grouped into categories based on the kinds of classes they reported taking. Participation in Leisure Education and Extended Education were not included in this analysis. The largest percentage of first-time, first-year respondents reported taking daytime programs only (69.2%) and the next largest group reported a combination of daytime programs and Evening and Weekend Studies options (24.8%). In the table below, Evening and Weekend Studies refers to either half-time programs or courses. Independent learning options refers to contracts and internships.

Combinations of Classes Taken During Year (N=117)

Daytime programs only (No participation in Evening and Weekend Studies or Independent learning options)	69.2%
Daytime programs and Evening and Weekend Studies only (No Independent learning options)	24.8%
Daytime and independent learning options only (No Evening and Weekend Studies)	2.6%
Evening and Weekend Studies only (No Daytime programs or independent work)	1.7%
Combination of all three types (Daytime programs, Evening and Weekend Studies, and independent learning options)	1.7%
Evening and Weekend Studies and independent learning options only (No Daytime programs)	0.0%
Independent learning options only (No daytime programs or Evening and Weekend Studies)	0.0%
