Evergreen Student Experience Survey 2006
Tribal: Reservation-based/Community-Determined Programs

First Language

Students were asked to indicate whether English is their first language. Most respondents in Tribal Programs indicated that English was their first language (96.6%). A total of 3.4% of respondents (N=1) indicated that English was not their first language. This student indicated her/his first language, but this language will not be revealed in this report to protect the confidentiality of that respondent. Two other respondents indicated that English was their first language and also wrote that they feel most comfortable speaking English and another Native American language outside of the classroom.
