

The Evergreen State College
Evergreen Student Experience Survey 2011
Olympia Campus Random Sample
Primary Area of Study or Concentration

Students were asked to describe their primary field(s) of study or concentration at Evergreen. The open-ended responses to this question were coded into the Classification for Instructional Programs (CIP) 2000 codes. Some respondents wrote in more than one field of study, so percentages do not add up to 100%. The greatest proportion of Olympia campus respondents indicated an interest in Visual and Performing Arts (21%), Social Sciences (18.9%), English Language and Literature/Letters(14%), and Psychology (12.2%).

Please describe your primary field(s) of study or concentration at Evergreen.
