

The Evergreen State College
Evergreen Student Experience Survey 2011
Olympia Campus Random Sample

Level of Connection to Other Students and the Evergreen Community

Students were asked to indicate their level of connection to other students in their classes and their connection to the Evergreen community. The most common response among Olympia campus respondents was that they felt "Quite a Bit" connected to other students in classes and "A Little Bit" connected to the Evergreen community. The mean response was higher for the degree of connection to other students as compared to the Evergreen community as a whole. Nineteen percent of the Olympia campus respondents were "Not at All" or "A Little Bit" connected to other students in their classes, while 44.9% said that they felt "Not at All" or "A Little Bit" connected to the Evergreen community.
