

***What is your level of connectedness to the Evergreen community?***

Students were asked to indicate their level of connection to other students in their classes and their connection to the Evergreen community. The most common response among Olympia Campus respondents was that they felt "Quite" connected to other students in classes and "Somewhat" connected to the Evergreen community. The mean response was higher for the degree of connection to other students as compared to the Evergreen community as a whole. A little over 20% of the Olympia Campus respondents were "Not at All" or "A Little Bit" connected to other students in their classes, while almost 40% said that they felt "Not at All" or "A Little Bit" connected to the Evergreen community.
