

How important do you think diversity at Evergreen is to your learning?

Students were asked a series of questions regarding the importance of diversity to their learning, the amount of respect for diversity, and interactions with people on campus who are different from themselves in terms of backgrounds, perspectives, and lifestyles. In terms of the importance of diversity on campus to learning, the most common response among Tacoma Campus respondents was that diversity was "Very" important (65.7%) with "Quite a bit" important being the second most frequent response (25.7%), followed by "Somewhat" important at 8.6%. There were no Tacoma Campus respondents who indicated that diversity was "Not at All" or "A Little Bit" important.
