

Did you participate in undergraduate research as part of your academic work this year?

Students were asked whether they participated in research as part of their academic work this year and whether it was part of a program/course/SOS or ILC. Most Tacoma Campus respondents indicated that they had not participated in academic research (57.9%). Of the respondents who participated in undergraduate research, 87.5% participated during a program/course/SOS, 6.3% participated during an ILC or an Internship, 6.3% participated during both a program/course/SOS and during an ILC or an Internship.

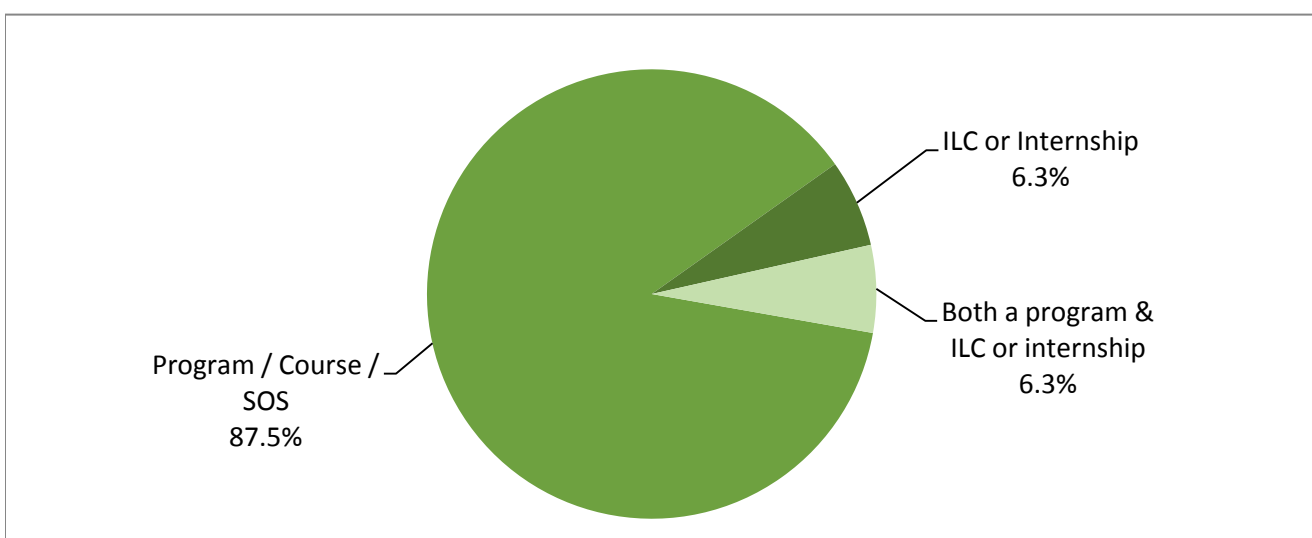

Did you participate in undergraduate research as part of your academic work this year?

N	No	Yes
38	57.9%	42.1%

If yes, was it:

	Tacoma Campus		
	N	Yes	No
Within a program/course/SOS (Student Originated Studies)	14	87.5%	12.5%
Independent Learning Contract (ILC) or Internship	1	6.3%	93.7%
Both within a program and in an ILC or internship	1	6.3%	93.7%

What was the nature of your project(s)?
