

End-of-Program Review 2007-08

Sustainability in Evening and Weekend Studies (EWS) Programs

Did your program address sustainability? Sustainability can include:

- Living within the limits (for example, reducing consumption)
- Understanding the interconnections among economy, society, and environment
- Equitable distribution of resources and opportunities

	Extensively	Moderately	A little	Not at All	Percent of Programs Addressed Sustainability	Programs Addressed Sustainability (N)	Programs responded (N)
EWS Programs	13.6%	4.5%	27.3%	54.5%	45.4%	10	22
All Programs	16.4%	24.1%	18.1%	41.4%	58.6%	68	116

EWS Programs that include sustainability	Extent	Areas of sustainability studied in the program (e.g., environmental sustainability, social sustainability including social justice, economic sustainability, sustainable business practices, community sustainability, environmental ethics)
Positive Psychology	Extensively	Community, social sustainability, social justice, economic sustainability
Public Management, Leadership and the Power of Inclusion	Extensively	Social Justice, Sustainable Business Practices, community sustainability, some environmental ethics
Why Businesses Succeed	Extensively	We used three texts that focused on business/economic sustainability, as well as the impact of ecology both human and environmental as "best business practices" for small business. We also, had two guest speakers that support the issues around sustainability.
Leadership in Action: Transforming Self and Structure	Moderately	Use of social networks and collective knowledge systems for designing sustainable economic models of information distribution. Social Sustainability
American Literature of the 1850s: Shaping a Nation	A little	We looked historically at the interconnections between society, economy, and environment--e.g. Walden--railroads, ice harvesting, global economy in 19th C slavery/economy/--
Children and Education: A Silk Roads Perspective	A little	Social sustainability
Cognition and Computation	A little	Computer uses and misuses in production
Developmental Psychology	A little	Social Justice, Ethics, Moral Development
Justice at Work? Civic Rights, Labor	A little	Social justice and economic sustainability
The Authentic Self: Becoming an Instrument for Change	A little	Social justice
