Compelling Intellectual Experience(s) and Successful Pedagogical or Innovative Practice

Tribal: Reservation-Based/Community-Determined Programs

Program name	Faculty	For purposes of helping reflect on the range of teaching practices and experiences at the college, please identify the most compelling intellectual experience(s) in your program or the most successful or innovative pedagogical practice in your program.
Tribal Muckleshoot	Regina Corpuz	Students conducted oral histories of their tribal leaders and the process inspired many students to seek leadership roles on their reservations.
Tribal Nisqually	Cindy Marchand-Cecil	The most compelling intellectual experience for me has been the mentoring performed by Barbara Leigh Smith. Her work with the development of the Native Cases project has been the most innovative pedagogical practice, by far, in our program. I have enjoyed this work tremendously.
