Description of Society, politics, Behavior and Change with humanities

SPBC with humanities	Extent	Field	Introductory	Intermediate	Advanced
Sustainable Business Leadership	Extensively	We talked about the history of business management and how we arrived at the current level of cultural problems. We read text from MIT (Peter Senge) on systems thinking and compared our (USA) cultural business ethics to Japan's (we have two full time Japanese students). The students offered an end of program presentation on the delta they found.		X
