

End-of-Program Review 2009-10

Mathematics in Tribal: Reservation-Based/Community-Determined programs (TRI)

Did your program include mathematics (includes quantitative and/or symbolic reasoning)?

	Extensively	Moderately	A Little	Not at All	Percent of Programs with any mathematics	Programs with any mathematics (N)	Programs responded (N)
TRI	0.0%	0.0%	100.0%	0.0%	100.0%	4	4
All programs	14.5%	13.7%	29.8%	42.0%	58.0%	76	131

Description of Tribal programs with mathematics

Tribal programs with mathematics	Extent	Field	Introductory	Intermediate	Advanced
Reservation Based Community Determined Program - Muckleshoot	A Little	Measure and affect of clogged culverts and affect on salmon populations		X	
Reservation Based Community Determined Program - Port Gamble	A Little	Quantitative and Symbolic Reasoning: Economic trends of renewable and non-renewable energy, increase of illness with change of diet and source of foods, climate change and it's effects on fishing and harvesting of shellfish, contamination and water quality trends with industry	X		
Reservation Based Community Determined Program - Nisqually	A Little	We studied statistics in Intergovernmental Battlegrounds and at our site classes. We need to provide more in the way of introductory statistics to our students.	X		
Reservation Based Community Determined Program - Quinault	A Little	Mostly graphs, tables as related to statistical changes in climate, natural resources	X
