

## End-of-Program Review 2009-10

### Sustainability in Evening and Weekend Studies (EWS) Programs

**Did your program address sustainability?** Sustainability can include:

- Living within the limits (for example, reducing consumption)
- Understanding the interconnections among economy, society, and environment
- Equitable distribution of resources and opportunities

	Extensively	Moderately	A little	Not at All	Percent of Programs Addressed Sustainability	Programs Addressed Sustainability (N)	Programs responded (N)
Evening and Weekend Studies	11.8%	41.2%	17.6%	29.4%	70.6%	12	17
All Programs	19.2%	24.6%	25.4%	30.8%	69.2%	90	130

EWS Programs that include sustainability	Extent	Areas of sustainability studied in the program (e.g., environmental sustainability, social sustainability including social justice, economic sustainability, sustainable business practices, community sustainability, environmental ethics)
Composing A Life	Extensively	Social Justice (seminaring with offenders from my prison programs at WCC in Shelton);
Feminist Theory and Practice	Extensively	Extensive focus on social/economic justice. Some optional study of Eco-Feminism.
Public Thinking and Public Health	Moderately	We review the ecological catastrophes of the dust bowl/ lead poisoning/ health care. Spent a lot of Winter quarter on issue of environmental justice. We did a field trip focused on Puget Sound and the environment.
Making A difference/ Doing Social Change	Moderately	Social sustainability including social justice, economic sustainability, community sustainability
Writers Workshop	Moderately	Social and Environmental Justice
Art Culture, Spirit	Moderately	Social and cultural sustainability
System: From Fragmentation to Holism	Moderately	Ecological, personal, social
Green Nature, Human Nature	Moderately	Community sustainability in terms of local food production (Kiwanis Food Bank Garden), role of civic agriculture
Business Management, Leadership and Diversity in Social Enterprises	Moderately	Business as the foundation of economic and community sustainability. Work based with Natural Capitalism (Paul Hawken) and authentic business (Neil Crofts) books were used.
Art and Mosaic	A Little	Recycling in art projects
Civic Intelligence in the Real World	A Little	Environmental sustainability, community sustainability, social responsibility
Anatomy & Physiology I & II	A Little	Environmental sustainability, social economic health issues
