

End-of-Program Review 2009-10

Sustainability in Inter-Area (IA) Programs

Did your program address sustainability? Sustainability can include:

- Living within the limits (for example, reducing consumption)
- Understanding the interconnections among economy, society, and environment
- Equitable distribution of resources and opportunities

	Extensively	Moderately	A little	Not at All	Percent of Programs Addressed Sustainability	Programs Addressed Sustainability (N)	Programs responded (N)
Inter-Area	22.7%	22.7%	22.7%	31.8%	68.1%	15	22
All Programs	19.2%	24.6%	25.4%	30.8%	69.2%	90	130

IA Programs that include sustainability	Extent	Areas of sustainability studied in the program (e.g., environmental sustainability, social sustainability including social justice, economic sustainability, sustainable business practices, community sustainability, environmental ethics)
