

WENATCHEE VALLEY COLLEGE 2016 - 2017 CATALOG

The Evergreen State College allows up to 90 transfer credits for work completed at the community college level. Of those 90, maximum of 15 credits may be in the category of Vocational-Technical-Personal Development. Students who receive the designated Associate transfer degree that conforms to the ICRC guidelines will receive a block of 90 credits, not a separate course-by-course evaluation. Please note that those students entering Fall Quarter, 1986, and thereafter, will receive no transfer credit for remedial courses in reading and writing.

The *Designated Transfer Degree* from Wenatchee Valley College is the Associate of Arts & Sciences. Your technical associate degree from a regionally accredited Washington community or technical college may qualify for 90 lower-division transfer credits after completing the Upside Down Transfer Option process. In order to qualify for the Upside Down Program you must earn the non-designated transfer degree and have completed English Composition or equivalent with a "C" grade or better and have at least a 2.50 cumulative grade point average.
