Summer Newsletter

SASS is Here to Support You, Even in Summer!

We hope you have a great summer! Whether you're graduating or returning to campus in September, we are here to support your continued success!

Summer is an important time for you to reflect on your campus experiences this past year, how these experiences have affected you as an individual and global citizen, and shaped your vision of the future you want create. We also hope you will use your time in summer to let us know how things are going at Evergreen and what support you need to achieve your goals for the future, at Evergreen and beyond.

Graduates should know they can still count on [career advisors](#) in SASS for support with their resumes and job search after graduation. Returning students should know that our staff in [Advising](#), [Access Services](#), [First People's Multicultural Advising](#), and [TRiO Student Support Services](#) are here all summer to answer questions about registration, needed support for future academic programs, and how we can continue our work toward a more equitable and inclusive campus (and global) community.

We have some exciting changes planned in SASS for the fall, including the design of more space for students to connect with other students as well as SASS staff. We hope you will come see us in September to learn more! We look forward to seeing you again soon!

Words of Wisdom from Academic Advising

Summer is the quietest time in Advising, so it's a great time for you to have an unhurried, in-depth conversation with an advisor about your academic and career plans, future individual study or internships, study abroad, how to get the learning experiences you'd still like to have, and how to pull all the pieces together to prepare for where you're headed after Evergreen. You can meet with an advisor either over the phone or in person; just call 360-867-6312 to set up a time.

Summer Tips and Pointers

- Take a moment to double-check your registration and make sure it looks the way you

expect. If you're on waitlists, make sure you've filled out the waitlist preference form ([here's how](#)), and that you still prefer whatever you're waitlisted for to what you're already enrolled in. If you change your mind, take yourself off the waitlist for the offering you no longer would prefer.

- You can always check your waitlist position by going to my.evergreen.edu -> Registration -> Student Registration Details.
- Be sure to check your Evergreen e-mail regularly -- some faculty send out info about their programs over the summer. You may also get important messages from [Financial Aid](#) or other offices.
- If you're taking a program in fall that has a math prerequisite, do yourself a favor and spend some time this summer doing review—you'll thank yourself come October. [Khan Academy](#) is a good on-line resource for math instruction and help. [Lynda.com](#) (accessible through my.evergreen.edu) is also a great way to learn new skills that can help you in your studies and professional development.
- Fall class schedules have been posted, so be sure you know when and where your class meets for the first time.
- Have fun and relax! Fall quarter will be here before you know it!

Access Services Summer Reminders

First and foremost, we hope you have an awesome and restful summer! If you do manage to have some free time, we would love to hear from you. It is really helpful for our staff and for you to connect with us before the start of fall quarter. We can work with you on finalizing or updating your accommodations for fall quarter, and that means one less thing to do when you arrive back on campus!

We look forward to hearing from you!
