

Campus Land Use Committee

Meeting Notes for January 18, 2006

Recorder: Mondona Majidi

Minutes- approved with amendments

Student membership: Tracey S.

Forest Plan – Paul and Mark met with arborists, expecting proposal of cost next week. Looking at February for time proposal.

Athletic Field Fence Revisit: Noted that a fence does not go against Master Plan.

Dave: Field is not open space, but a designated facility misunderstanding as to area in question.

- 17,000 to build verses 8,000 a year.

A temporary fence has been decided on by Dave and his staff.

Overall decision is for a temp fence.

Paul wants to meet with Dave and see Field 5 – ask him about scheduling.

It was discussed re: email by Jim as useful way to garner response that measures campus opinion.

Response will be sent out (thank you) to all commenters.

Campus Master Plan – this week send preliminary PDF with links and edits.
