Events of Last Week

Wendy E. gave an overview of multiple events that occurred over the past week. Events include student issues; a protest to the Sustainability in Prisons Project meeting, where a window on the 4th floor of the library was broken; Earth Day; and the signing of the Real Food Challenge Commitment followed by a performance by the Yes Men.

Board of Trustees Agenda

A draft Board of Trustees agenda was distributed for review and discussion. As the legislative budget will not be adopted by May 13th, it is recommended to trim the meeting to one day rather than two. The meeting will be held on Wednesday, May 13 at the Olympia campus. The student trustee, Nicholas Wooten has requested time on the agenda for an LGBT group to address the Board of Trustees at the May 13th meeting and for a group of Reservation Based Students at the June meeting. Nick has been asked to make the request to the Board Chair Keith Kessler.
