Finishing the Work

The DTF members agreed to schedule a meeting for February 7th to settle on a final set of recommendations and a final report for the DTF. Members are asked to review the draft recommendations prior to the January 31st meeting and to make any final comments or suggestions on the document itself. If someone finds a section of the content problematic, they should propose an alternative. All changes, additions and suggestions should be made in the draft document by the end of the day on January 30th.

Draft Recommendations

The DTF reviewed the draft recommendations as a whole with a particular emphasis on identifying any conflicts or contradictions between them.
