Cell _____ Home Phone _____

This program is an excellent opportunity for students interested in a path toward health and medicine. Students will acquire direct clinical skills and experience needed to apply for medical, naturopathic, nursing or other health related graduate programs.

Students in this program will be licensed as a Medical Assistant-Registered by the State of Washington. In order to meet this requirement you need to have taken at least 15 credits of college level math, English (literature and/or composition) and a science course. Upon completion of the program graduates meet the qualifications to take the national certification exam and become a Medical Assistant-Certified.

List ALL COLLEGE LEVEL (please include number of credits):

Math _____

English (composition/literature) _____

Check if you've had at least one quarter (5 credits) and dates:

☐ Human Anatomy & Physiology _____

Name_____ Anticipated date of graduation_____

Health related certificate courses

☐Basic First Aid Expires_____

☐Advanced First Aid Expires_____

☐CPR Expires_____

Other health related certificate courses:

_____ Expires_____

Please answer the following questions on a separate document.

1. What are your interests in applying for the Medical Assisting Program?
2. What do you believe you have to offer the Evergreen community in your role as a Student Medical Assistant?
3. What do you see as the top health issue that affects your fellow students? Please provide one or more health education strategies you would implement to address this issue.
4. Please describe your experience with detailed and repetitive work such as filing, answering phones, and data entry.
5. Describe what the idea of service to your community means to you. Please describe volunteer work you have done in the last 2-3 years.
6. Please describe your experience, other than academics, in collaborative teamwork or team building.
7. What are your academic plans for next year? How many credits do you expect to be taking? What other activities do you plan to be involved in next year? *Due to the amount of clinical hours required in this program it is not feasible to take a concurrent 16 credit program with labs.*
8. Have you applied for the Medical Assistant Program in the past? If yes, when?
9. We will look carefully at your work, volunteer, and life experience. ***Please attach a quality resume with three references from those who are familiar with your work skills and abilities.*** Include current contact information: name, address, phone number(s), e-mail address and the context in which you know them (i.e.: supervisor, faculty, volunteer coordinator, etc.) *Please do not use friends or family members as references. Please do not include letters of reference; we will contact your references directly.*

PLEASE NOTE: Incomplete or illegible applications will not be considered for an interview.

Submit completed application to Student Wellness Services, ATTN: Barbara Krulich PA-C, no later than 5:00 pm Wednesday, May 24, 2017. Early applications will be accepted at any time.

Office use only. Date submitted_____/_____/_____/ Time submitted_____/_____/_____/020
