The list of approved degrees may change without notice. Degrees earned through Bates with similar names/titles may not meet the current Upside Down Degree requirements.

An approved Upside Down Degree *may* transfer to Evergreen as a block of 90-credits after you have completed 32 Evergreen credits in a program you select with the help of an Academic Advisor. You are eligible for the Upside Down Degree Program if you meet the following criteria:

- You have earned an approved technical degree listed above
- You have successfully completed college-level English composition (ENG& 101) or equivalent with a 2.0 grade or better
- You have a cumulative GPA of 2.50 or better

For advising, please contact the Office of Admissions – (360) 867-6170.

Conditional Guaranteed Admission for International Students

International students who plan to complete one of the approved degrees listed above can be offered Conditional Guaranteed Admission.

You are eligible for the Conditional Guaranteed Admission for International Students if you meet the following criteria:

- You have earned an approved degree listed above.
- You have successfully completed English 101 and English 102 with a grade of “B” (3.0 grade) or higher in both courses.
- You have a cumulative college-level GPA of 2.75 or better
- You demonstrate proof of financial ability

For advising, please contact the Office of Admissions – (360) 867-6170.
