Announcements

Julie Suchanek said that the Senate Environmental Committee plans a meeting January 13 to discuss sustainability in higher education. She plans to ask John Pumilio to attend for Evergreen.

Winter Quarter Enrollment

Steve Hunter provided a preliminary report on Winter quarter enrollment. Registration is up 117 students over Winter 2007. The wait list process has been changed this year. The great majority of spaces in the curriculum require faculty signatures, which has been frustrating over the holiday break.

Budget Update

Les Purce and Steve Trotter reviewed the Governor's proposed budget, which includes a 13 percent reduction, a seven percent tuition increase, asks Evergreen to maintain current enrollments, and includes no fee increases. Julie Suchanek summarized changes in legislative leadership assignments.

Leave Request System

Allen Toothaker reported that a glitch in the new on-line leave reporting system is being resolved. An e-mail announcement is expected shortly.
