### Description of Society, Politics, Behavior and Change programs with Art

SPBC programs with Art	Extent	Field	Introductory	Intermediate	Advanced
Decolonizing the Mind	Moderately	Art was not studied in the sense that instruction was provided in any specific area (e.g. dance, music). However, the role of art- particularly paintings of 19th century- in the construction of images of the Orient was discussed. A visit to a museum in Tacoma was arranged for the class.	X
