	Extensively	Moderately	A Little	Not at All	Percent of Programs with any social sciences	Programs with any social sciences (N)	Programs responded (N)
EWS	50.0%	11.1%	11.1%	27.8%	72.2%	13	18
All programs	38.1%	17.8%	18.6%	25.4%	74.5%	88	118

### Description of Evening & Weekend Studies programs with social sciences

Evening & Weekend programs with social sciences	Extent	Field	Introductory	Intermediate	Advanced
Art and Women: Masquerade	Extensively	Feminist studies		X	X
Civic Intelligence: Will We Be Smart Enough, Soon Enough?	Extensively	Sociology, political science		X	
Developmental Psychology and Educational Practice	Extensively	Psychology, Education			X
East-West Intergrated Psychology	Extensively	Mind, emotion, perception, behavior and mental well being, plus consciousness	X	X	X
Holism and Our Healthcare System: Personal Wellness, Healthy Communities	Extensively	Psychology, sociology, social justice, buisness	X	X	

Reproduction, Birth and Power	Extensively	Psychology, sociology, a bit of Anthropology, Gender studies		X	
Sight and Incite: Art and Activism	Extensively	Sociology, social movement theory, social justice		X	
What Unions Do	Extensively	Sociology, Economics, Industrial Relations, Legal studies		X	
Why Businesses Succeed: Designing A Sustainable Company	Extensively	All three quarters had major segments of business, economics and social connections. Planning and writing at an advanced business level is important to sustainability and social responsibility. This was the focus of learning models used. Each week the student had to respond to a book and workshop event that described a problem or business issue that impacted the communities studied.			X
Immigration: History, Law, Controversy	Moderately	Sociology, Law		X	
Work and the Human Condition	Moderately	Some of our books were sociological analyses of work and American culture. We read some analyses that had an economic focus, but we did NOT teach economics or business.	X		
Interdisciplinary Psychology: From Science to Society	A Little	Introductory examination of statistics and psychometric properties of psychological assessment.	X		
Plants, People and Phytochemicals	A Little	Sociology	X
