ES programs with community-based project(s) and/or service learning	Description of activities
Ecological Agriculture	Work at food bank in spring
Field Ornithology	Everyone had to volunteer at least 20 hours on a local conservation field project. Most students worked on timber sale raptor surveys at Ft Lewis and invasive species management in the prairies.
Community Based Research: Knowledge in Place	Each student, alone or in a team, did a CBR project. This involved communication with community groups, project planning, and a project due in relation to comm. organizations.
