

End-of-Program Review 2009-10

Sustainability in Tribal: Reservation-Based/Community Determined programs (TRI)

Did your program address sustainability? Sustainability can include:

- Living within the limits (for example, reducing consumption)
- Understanding the interconnections among economy, society, and environment
- Equitable distribution of resources and opportunities

	Extensively	Moderately	A little	Not at All	Percent of Programs Addressed Sustainability	Programs Addressed Sustainability (N)	Programs responded (N)
Tribal: Reservation-Based	100.0%	0.0%	0.0%	0.0%	100.0%	4	4
All Programs	19.2%	24.6%	25.4%	30.8%	69.2%	90	130

TRI Programs that include sustainability	Extent	Areas of sustainability studied in the program (e.g., environmental sustainability, social sustainability including social justice, economic sustainability, sustainable business practices, community sustainability, environmental ethics)
Reservation Based Community Determined Program - Muckleshoot	Extensively	Tribal sustainability of cultural events, power sources, and salmon and wildlife preservation
Reservation Based Community Determined Program - Nisqually	Extensively	Environmental sustainability, social sustainability including social justice, economic sustainability, sustainable business practices, community sustainability; environmental ethics. We read Hot, Flat, and Crowded, Original Instructions, and Sustainability Revolution. Students read two case studies, A Challenge to Conservationists and read many websites on case studies. See http://www.evergreen.edu/tribal/cases/collection/environmentalstudies.htm for listing of cases we studied.
Reservation Based Community Determined Program - Port Gamble	Extensively	Environmental Sustainability, social and cultural sustainability, social justice, economic sustainability, Tribal community sustainability, environmental law and environmental protection agencies
Reservation Based Community Determined Program - Quinault	Extensively	Environmental Cultural Historical Social justice Community
