CS Programs that addressed issues of oppression, privilege and difference	Extent	Strategies
Arts in New York	Extensively	We went to see artistic production of different ethnic and cultural groups, such as Museo del Barrio, Jewish Museum, AMERICAN Museu of Craft (africa exhibit) etc. and discussed what we saw in terms of post-colonial theory.
Multicultural Counseling	Extensively	Lectures, workshops, small group discussions about seminar books, and extensive writing to critically examine students' own beliefs, values, thinking styles, and intrapersonal communication.
Turning Eastward: Explorations in East-West Psychology	Moderately	Lectures, Films, Books, Seminars, Field Trip
