

End-of-Program Review 2011-12

Community-based Project(s) and/or Service Learning in Consciousness Studies Programs (CS)

Did your program include community-based project(s) and/or service learning?

	Yes	No	Programs With any CB/SL (N)	Programs Responded (N)
Consciousness Studies	37.5%	62.5%	3	8
All Programs	30.1%	69.9%	41	136

Note: Courses, contracts and internships programs were not asked to participate in the End-of-Program Review.

CS programs with community-based project(s) and/or service learning	Description of activities
An Educated Society	Five base projects on ways society teach in community/public spaces
SOS: Center for Community-Based Learning and Action	Each student planned and completed an individual community-based project. There was a wide variety of issues and activities represented from wilderness center work to local community music to social service agency work.
Turning Eastward: Explorations in East/West Psychology	Two days of discussions with the local senior citizen community about their issues, panel of military veterans, many guest speakers from human services and Buddhist communities, field trips to Western State Hospital and local Buddhist communities.
