

End-of-Program Review 2011-12

Sustainability in Inter-Area (IA) Programs

Did your program address sustainability? Sustainability can include:

- Living within the limits (for example, reducing consumption)
- Understanding the interconnections among economy, society, and environment
- Equitable distribution of resources and opportunities

	Extensively	Moderately	A little	Not at All	Percent of Programs Addressed Sustainability	Programs Addressed Sustainability (N)	Programs responded (N)
Inter-Area	27.5%	25.0%	17.5%	30.0%	70.0%	28	40
All Programs	19.1%	21.3%	25.0%	34.6%	65.4%	89	136

IA Programs that include sustainability	Extent	Areas of sustainability studied in the program (e.g., <i>environmental sustainability, social sustainability including social justice, economic sustainability, sustainable business practices, community sustainability, environmental ethics</i>)
Native City: Histories, Policies and Images	Extensively	Urban Planning, Environmental Sustainability
